| Red          | Orange |
| New Silver   | Purple |
| Lemon Yellow | Black  |

## Kickmaster Classic Line - 33 litre

The Kickmaster Classic Line Soft 33 Litre Bin is designed with a stainless steel central opening top that is foot operated by a chrome plated metal pedal. The innovative feature of an integrated damper regulates the closing and opening of the lid and assures a smooth silent operation. The wide retro style base with anti-skid ring keeps the bin firmly in place. The 33 litre removable plastic insert allows for ease of cleaning.

Height: 700mm  
Diameter: 405mm  
Internal Bin Height: 490mm  
Internal Bin Diameter: 300mm  
Capacity: 33L

- |            |           |          |
|------------|-----------|----------|
| White      | Purple    | Ruby Red |
| Red        | Turquoise | Black    |
| Lime green | Indigo    |          |
| Almond     | Warm Grey |          |

## Big Double Boy - 36 litre (2x18 litre)

The new household waste separator from WESCO. Two 18-litre plastic inserts tidily separate paper, glass, plastic or other waste. Thanks to the integrated damper, the stainless steel lid closes almost soundlessly and can be held in the open position. A practical facility for attaching bin liners to the plastic inserts prevents the bags from slipping. The large stainless steel pedal guarantees easy operation.

Height: 650mm  
Capacity: 36L (2x18L)  
Depth: 345mm  
Width: 405mm
